

VOICE OF THE CHILD: Learn to Interview Children

Add these specialized skills to your practice!

Child Inclusive Family Mediation, Child Protection Mediation, Parenting Coordination, Collaborative Law, and all other family services where decisions are being made for children.

As family professionals, we have a duty to ensure that children are offered the opportunity to have their voice heard when important decisions are made about their lives. Yet, involving children in family decision-making can be a complex exercise and must be approached with great sensitivity and care. This training will provide you with the tools and practical skills you need to take on this role.
